A Revolution of Tenderness, ©2018, Tony Alonso and Jeanne Cotter

We were made for Love,
the Spirit of all graces strengthens us
To go out to the world and with Love
Heal the world in a revolution of tenderness.

Go out to the world with the mind of Christ
Work for the common good with bold creativity.
Live deeply, live wisely, love generously
Live in the Way of Blessing.

Go out to the world with the eyes of Christ
With great kindness look into the eyes of another
Take the risk of genuine encounter
Become an Oasis of Mercy

Go out to the world with the heart of Christ
With real compassion and love embrace the weak
With tender care respond to the deepest need
Heal with the Balm of Mercy

Go out to the world with the hands of Christ
Touch the suffering of those denied their dignity
Lay down the arms of severity
Offer the Medicine of Mercy

God sees we are good.
We were made for Love.
